i3 series features a brand new concept to present an ultra-narrow bezel screen and sleek exterior design with colorful bezel and casing to represent your elegant style. The i3 is an energy-efficient solution of compact construction with fanless mechanism fitted in a high-performing system enabling for a quiet, highly reliable and stylish operation.

The i3 combines a minimalistic modular design with functionality. It offers a dedicated space under the screen that can be fitted with a receipt printer or barcode scanner as well as multiple accessories and peripherals options including customer display, dual-screen system for display applications (2nd screen - integrated or standalone), integrated barcode scanners, card readers, and receipt printer, etc.
